

## **2010 STREET MAINTENANCE PROGRAM**

The Village's annual Street Maintenance Program will begin in April and should be completed in early September. The maintenance program will include 4.8 miles of asphalt resurfacing of Village streets preceded by storm sewer inlet repair and pavement patching. Also included is the removal and replacement of 6,810 lineal feet of deteriorated curb and gutter and 26,000 square feet of deteriorated residential sidewalk. The program is funded by the motor fuel tax funds which are levied by the State and collected as part of the purchase price of gasoline and diesel fuel. The streets to be resurfaced as part of this year's program include:
